BWC Sponsorship Programme

36. In order to support and increase the participation of developing States Parties\(^1\) in annual BWC meetings, the Ninth Review Conference (in 2022) decided to renew the Sponsorship Programme established by the Seventh Review Conference (in 2011).

37. The Sponsorship Programme is administered by the Implementation Support Unit in consultation with the office-holders and is funded by voluntary contributions from States Parties.

38. Priority for sponsorship will be given to those developing States Parties which have previously not participated in BWC meetings or have been unable to regularly send experts from capital. Sponsorship may also be provided, depending on the availability of resources, to enhance participation by States not party to the BWC in order to promote the universalization of the Convention.

46. Advancing the Secretary-General’s “zero tolerance” vision, and priority agenda to address sexual harassment in the workplace, a Model Code of Conduct has been developed to prevent harassment, including sexual harassment, at UN system events.

47. The Model Code of Conduct is not a legal document but aims to prevent harassment from occurring at UN system events by sharing expectations of standards of conduct in advance of an event, as well as to support victims by ensuring they are aware that harassment is not tolerated at UN system events and what steps they can take if they are harassed or witness harassment.

48. The Model Code of Conduct applies to all participants of any BWC meetings.
