Dear Sir,

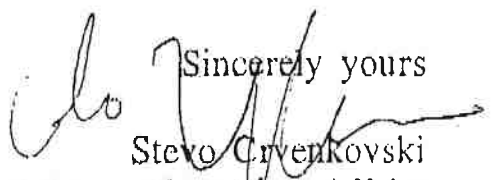

I would like to inform you that the Republic of Macedonia, as one of the successor states of SFRY, is very much interested to be a member of the Conference on Disarmament.

I am informed that the CD, on the bases of this year Resolutions of the General Assembly on expansion of the membership of the CD, will examine all applications for membership and will decide accordingly.

In various occasions in CD and in the First committee of the General Assembly, the Representatives of the Republic of Macedonia have expressed the wish for membership and the hope that the Conference will act on our application positively.

I would like to take this opportunity to underline that the Republic of Macedonia has been fully in favor and supportive of all disarmament and arms control activities in UN and elsewhere and also of the role of CD in the furthering of the process of disarmament and in negotiating legal instruments in the field of disarmament.

I hope that this application for membership to CD will be considered favorably and that the CD will decide positively.

Sincerely yours  
  
Stevo Crvenkovski  
Minister of Foreign Affairs  
of the Republic of Macedonia
