NOTES VERBALES

6. States should send, through their Permanent Missions, a Note Verbale to ccw@un.org, listing the full names and titles of the members of the delegation and clearly indicating the head of the delegation.

7. Kindly note that an electronic copy sent to ccw@un.org is sufficient and that sending the original copy of the Note Verbale via postal mail is discouraged. Indico registrations without accompanying Note Verbales will not be considered and approved.

8. Once the CCW ISU receives a Note Verbale from a Permanent Mission containing a list of its delegation members, the Secretariat will consider that State to be participating in, and bearing the costs of the meeting, in accordance with the United Nations scale of assessment. Non-High Contracting Parties to the CCW will be billed retroactively for the meetings in which they have participated. It is mandatory for States to send a NV to ccw@un.org. If a State does not send a NV to the CCW ISU, the Indico registrations of its representatives will not be considered.
9. **International organizations** may participate in the meetings as observer agencies. An official letter should be addressed to the CCW ISU informing of their participation and listing the full names and titles of the members of the delegation.

10. **NGOs and academic institutions** may designate representatives to attend public sessions of the meetings. An official letter with the official letterhead of the organization should be addressed to the CCW ISU requesting participation and listing the full names and titles of the representatives who will attend. A mission statement or summary of work of the organization should also be provided. In addition, NGOs and academic institutions that have not previously attended a CCW meeting should indicate previous interactions between the organization and the United Nations in relation to disarmament and non-proliferation issues.
