Tenth special session  
Working Group A

Ecuador

Proposed amendments to the draft Declaration

A. Review and appraisal

Paragraph 7

At the end of the paragraph, add the following:

"at the same time as appreciable reductions are made in the causes of the arms race by effective action for the elimination of tensions and the settlement of disputes by peaceful means".

B. Goals and priorities

Paragraph 6

At the end of the paragraph, add the following:

"and the strengthening of the machinery for the peaceful settlement of international disputes as both a regional and a universal responsibility".

C. Principles

Paragraph 9

Amend the first line to read as follows:

"... international tension, the peaceful settlement of disputes and the strengthening ..."

Paragraph 17

In the fourth line, after the word "agreements", add the words "especially in the peaceful settlement of disputes".
