WG.A/CRP.28  
13 June 1978

ORIGINAL: ENGLISH

Tenth special session  
Working Group A

Machinery

Amendment proposed by Sri Lanka

Between the first and second subparagraphs, insert the following new subparagraph:

"With the advancement towards the ultimate goal of general and complete disarmament and in the light of the experience gained in the deliberative and negotiating bodies, the General Assembly of the United Nations should consider establishing under its auspices a world disarmament institution with the aim of having over-all competence in the field of disarmament."
