---

## **Open-Ended Working Group on Conventional Ammunition**

Second substantive session  
Geneva, 15 – 19 August 2022

Statement by

Ms. Milena Bačková

Head of Firearms Unit, Ministry of Interior

Geneva, 15 August 2022

---

Mr. Chair,

just a brief comment. The Czech Republic also fully supports Ukraine and its heroic fight against the Russian aggressor. I regret that our Ukrainian colleague has to listen to the Russian lies even at this meeting. Russia should stop this war. We will support Ukraine as long as it will be necessary.

Thank You.
