

Survey conducted among OSCE cyber Points of Contact 15 June 2023

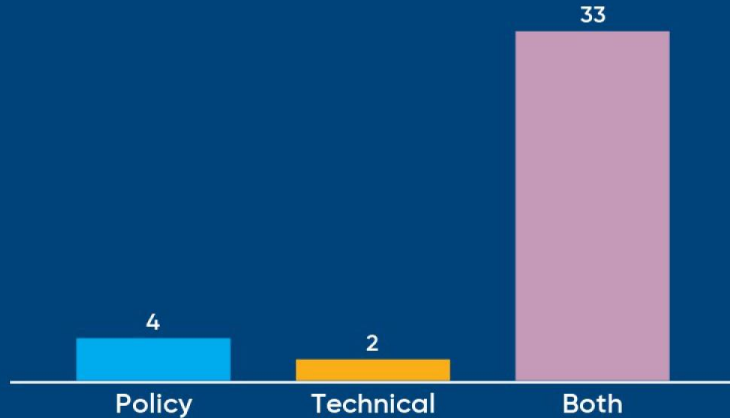

Annual Meeting of CBM 8 Points of Contact

- 15 June in Vienna, Austria
- Organized back-to-back with regional consultation on PoA and the IWG meeting

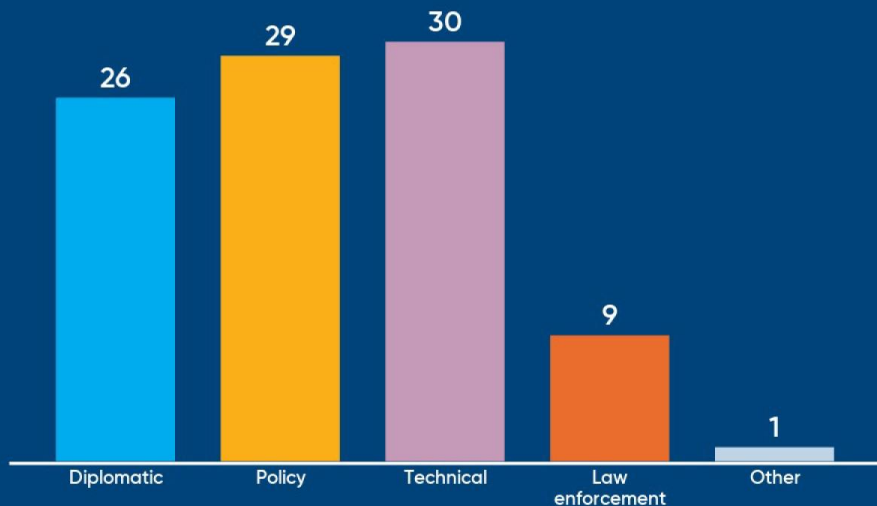

Briefing and exchange on the UN Global PoC Directory

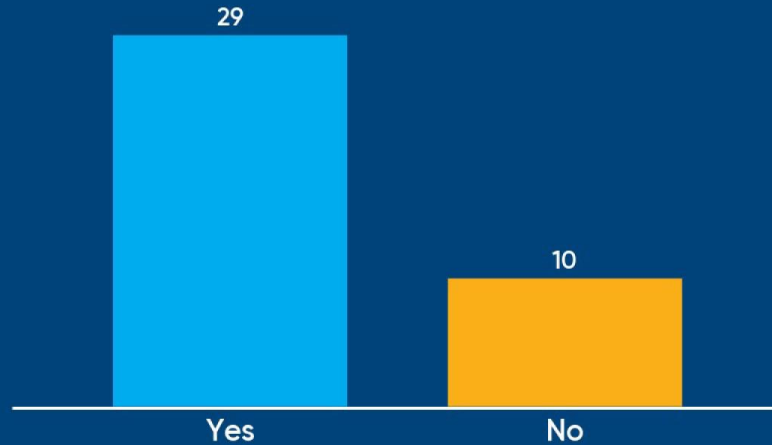

Which types of PoCs has your country nominated for the OSCE CBM 8 PoC network?

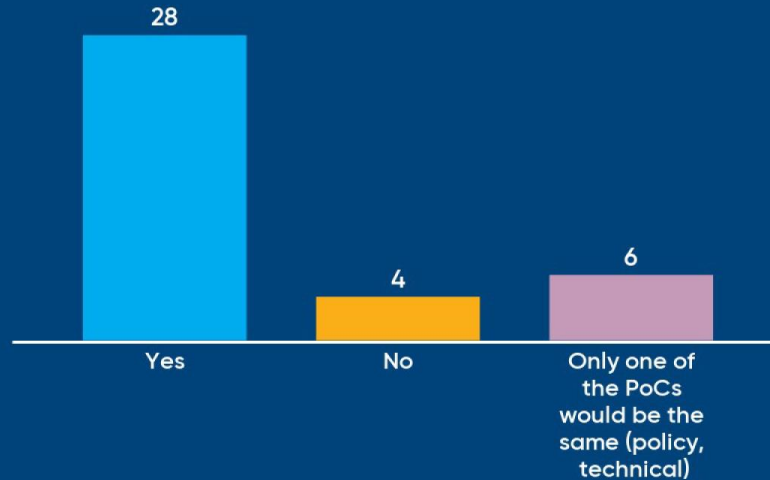

Which types of PoCs would you like to see in the UN Global PoC Directory?

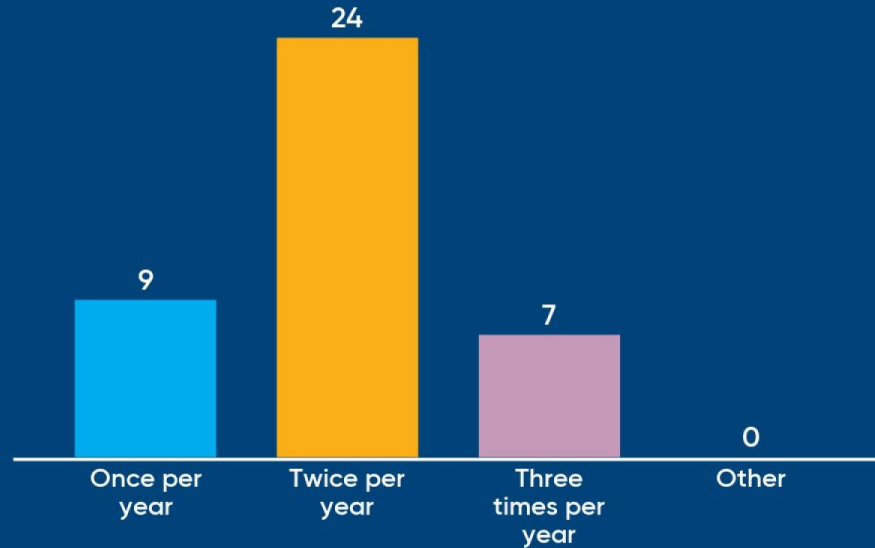

Would you agree to the automatic transmission of PoC data (name, contact details) from the OSCE CBM 8 network to the UN Global PoC Directory?

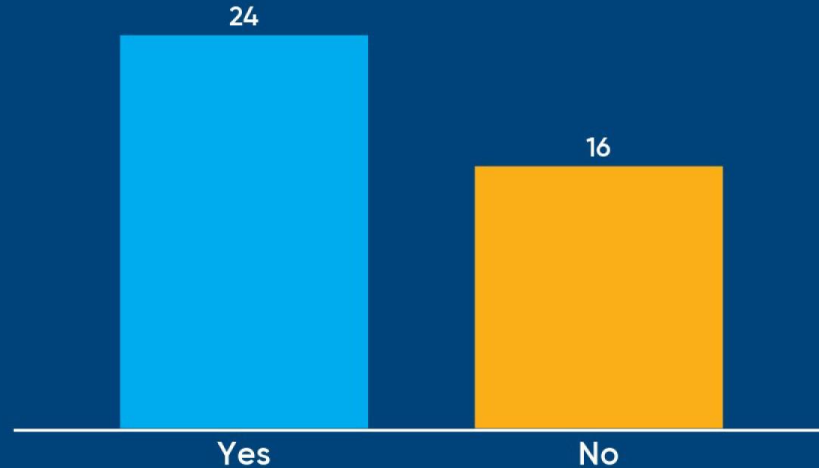

Would your country nominate the same PoCs for the OSCE CBM 8 PoC Network and the UN Global PoC Directory?

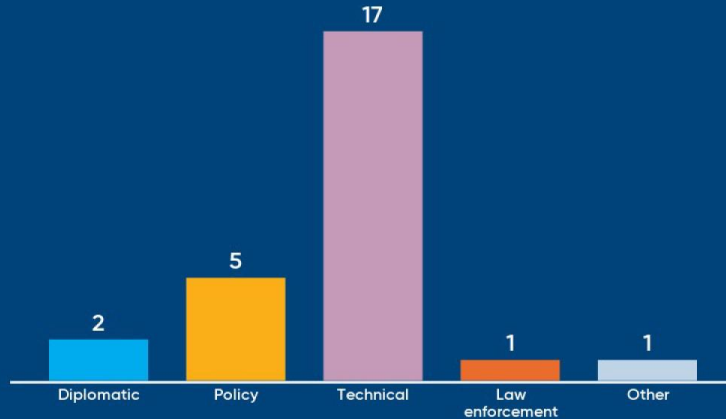

How often should Communication Checks for the UN Global PoC Directory be conducted?

Should separate Communication Check on the UN Global PoC Directory be conducted for specific groups of PoCs (e.g. diplomatic, policy, technical, etc.)

If you answered yes, which types of PoCs should Communication Checks be conducted for?

In your experience with OSCE CBM 8 CommChecks, which capacity-building activities would you recommend for the UN Global PoC Network?
